

## STRATEGIC WORKPLAN 2021-22 HIGHLIGHTS

---

### Vision

Meaningful Indigenous participation in Line 3 Replacement Program lifecycle activities and related policies, through an enhanced relationship between Métis Nations, First Nations, the proponent, Government of Canada and the Canada Energy Regulator that supports informed decision making by Canada and the Regulator.

### Guiding Principles

*Ensure Indigenous Nations are meaningfully engaged and participate in government, regulator and proponent decision making processes regarding Line 3 Program activities so that these processes better reflect Indigenous peoples rights, address impacts to those rights and interests, and honour the obligations of the Crown as set out within Canada's Constitution.*

*Information is shared in a timely, cooperative and transparent manner between Indigenous Nations, Government of Canada, Canada Energy Regulator, and the proponent (Enbridge).*

*Respect for Indigenous obligation to natural law that protect the land, air, water, species, cultural values and laws, history of all Nations, and natural resources within the Line 3 corridor.*

*Recognition for Indigenous peoples as part of the eco-system.*

*Indigenous traditional and contemporary knowledge and obligation to the land is meaningfully reflected, and respected and implemented in the work of the Committee.*

## Priorities

The work of the Committee will focus on the following seven Priority Areas:

<b>Priority 1: Renewal</b>	A renewed mandate for the IAMC - Line 3 that is developed in partnership with Nations, the Canada Energy Regulator, and the federal government, building on the foundation of meaningful Indigenous participation in Line 3 Replacement Program activities.
<b>Priority 2: Communications and Engagement</b>	Ensure Indigenous Nations including leadership, elders, and youth: Are informed about and guide the work of the Committee; and Have opportunities to engage with each other and with industry and government as appropriate, in working to protect Indigenous interests
<b>Priority 3: Indigenous Monitoring</b>	Indigenous peoples are involved in the monitoring of environmental, safety, and culturally sensitive aspects related to Line 3 activities over its lifecycle, with meaningful and adequate consideration of traditional land use, sacred sites, historical knowledge, and the diversity of Indigenous traditional and cultural worldviews.
<b>Priority 4: Emergency Management</b>	Support meaningful involvement of Indigenous peoples during emergency preparedness and response; and support greater protection of Indigenous interests during emergencies
<b>Priority 5: Training &amp; Capacity Development</b>	Support information sharing, training resources, and opportunities that increase capacity for participation in regulatory oversight
<b>Priority 6: Advice to Government and Regulators</b>	Build a shared understanding of issues of concern to Indigenous communities and provide informed advice on how to address those issues to government and regulators
<b>Priority 7 Operations</b>	The Committee operates in a capable, efficient, and accountable manner
